

Remember to...

# WASH YOUR HANDS

## STEP 1

Wet your hands with warm water.

## STEP 2

Add soap to your hands.

## STEP 3

Rub the soap on the front and back of both hands

## STEP 4

Rub the soap between every finger.

## STEP 5

Rub the soap on both of your wrists.

## STEP 6

Rinse off all the soap with warm water.

**Turn off the water and dry your hands. Now your hands are clean!**
